DEDICATION

We the staff of El Espejo 1982 Vol. #23, dedicate this edition to everyone who said it could not be done. To their doubts and negative attitudes during the period that the book was going through its many trials and tribulations. The Doubters encouraged the hard work and preservance needed to prove the positiveness and successfulness of our class — "82."

We the staff of El Espejo 1982 Vol. #23 have achieved quality within preparation of this yearbook. Also, we feel that, although this edition is not the same proportion of earlier editions, its quality far exceeds any yearbook in El Espejo's history

In addition, the staff of El Espejo 1982 Vol. #23, made one of our goals the attainment of equal representation among all students

In conclusion, we the staff of the El Espejo 1982 Vol. #23, thank everyone who supported us, for without you it could not have been done

Again Thanks,
Yearbook Staff "1982"

FAUCUDD

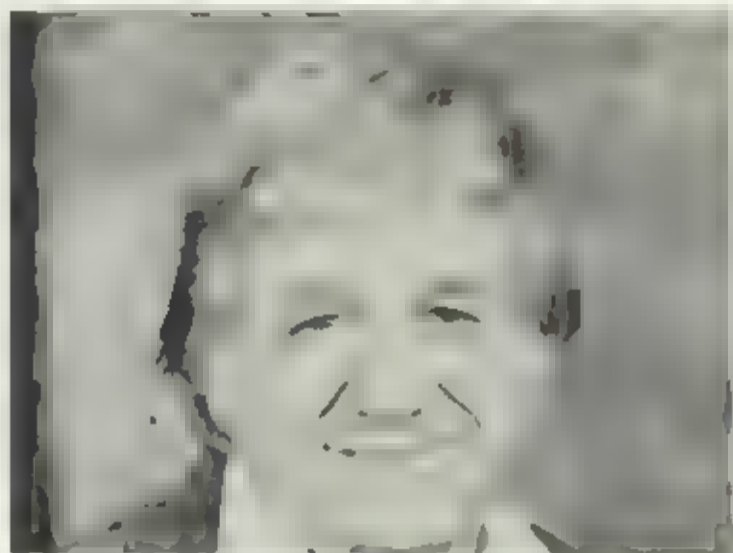

Throughout his six years at Dominguez, Mr. Easter has earned the respect and admiration of all around him. He is the man behind the scenes, although his presence is felt by all. He can sometimes be seen sitting at his desk, reading a newspaper or looking out the window.

WHAT WILL YOU BE DOING IN 10 YEARS

Vincent Kitagawa
"I plan to be a rising young executive working in the stock market area, living in New York."

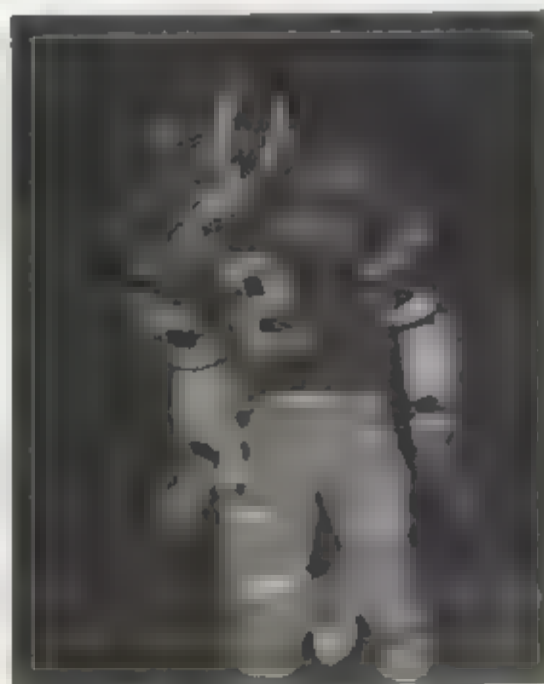

Donald Sutton
"A computer analysis for TRW in ten years."

Denise Delgado
"In ten years I plan to be working in a New York infirmary as a pediatrician."

Dana Williams
"Working in a Hospital as a psychologist, and working for my Phd."

Patrick Mosley
"By that time I will be a sports commentator for ABC. I also plan to be married, with three kids living in Las Vegas."

Monica Prince
"Professionally modeling, acting, and dancing."

Angela Washington
"Hopefully still living and raising a family while working as a teacher."

Tracie Nelms
"I plan to be a computer operator. I also hope to have enough money to buy a burgundy Jaguar."

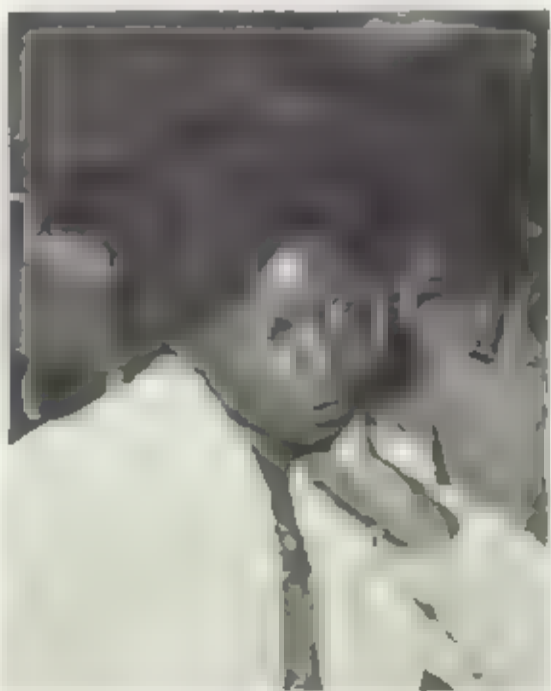

Anya Mitchell
"In ten years I plan to be a special education teacher."

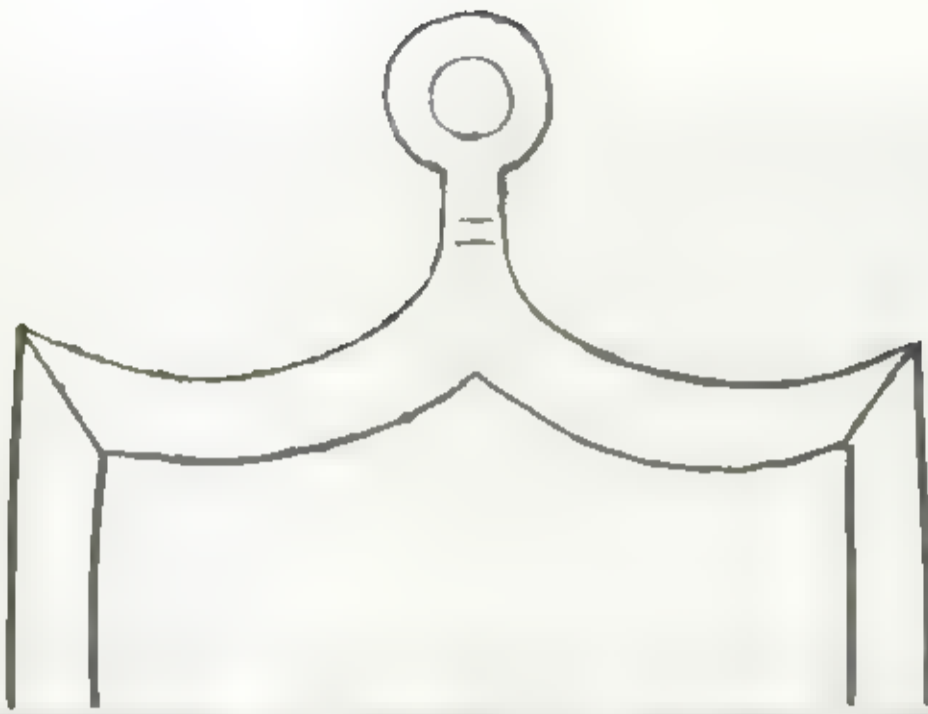

Renita Williams
"A part time professional model, and a computer technician."

Tracie Fisher
"By that time I will own a nursery school. I hope to be married."

What will you be doing in 10 years?

M e s a

MESA stands for Mathematics, Engineering, Science, and Achievement. This program is mainly geared toward the minority groups. Since these are the people who are less attracted toward the Mathematics, engineering, and fields of this sort, MESA works to get them involved. It strives to give them the help needed to prepare the students for university level programs in many fields. They are sponsored by Mr. Vern Matheson.

EDITOR AND CHIEF

EDITOR'S MESSAGE

Our campus is a place of many colors. Colors of people in personality, and in attitudes. As editor In-Chief Of El Espejo 1981-1982, I attempted to capture the spectrum of colors that beamed positive thoughts throughout our very special school year. In doing so, it took hard work and dedication which are the ingredients that deemed worth. I hope El Espejo (the mirror) reflects beautiful images of the colorfulness of our student body.

Farewell,

Julia Williams

We the Dons give the 1981 82 wrestling team a standing ovation, for their effort and achievement in this year's tournaments. With the expert coaching of Mr. Jerry Reed and the team's long hours practice, what else could we fellow Don's ask for?
